
Location

Located in the heart of Goleta, the Winter Holiday Café is located at 1313 Calle Real along side a gathering of boutiques, family run businesses and quaint storefronts. Every Thursday evening the street is filled with local vendors, families and friends enjoying the farmer's market.

The café itself is a burst of energy and celebration, where one can enjoy Christmas, Chanukah, New Years or any other winter holiday all year round. Festive music and twinkling lights bring the holidays to life. Our festive menu completes the transformation and allows all who come to celebrate winter all year round
